

ALERT REGARDING SPAM EMAIL

There have been incidents in which those who do business with the Commission have received SPAM emails that appear to be from a Commissioner or an agency staffer. These emails contain links or attachments for further information and may use such terms as “Disaccreditation,” “Greetings,” “Esteemed,” and/or “Member.”

These emails should be deleted immediately. Do not click on a link or attachment. Do not forward the email.

If you have a question regarding an email that claims to be from the OCC, contact the agency at 405-521-2211.
