as operator of a proposed well to be drilled and/or of an existing well that is currently producing, and/or being injected into and that it is my professional opinion and estimate that it would cost $_____ in U.S. dollars to properly plug and abandon said well that is more specifically described below. That said estimated plugging cost does not include any salvage value as to recoverable casing, tubing or well head equipment. That said estimated plugging cost includes plugging the well, empty and level all pits, removal of all trash and debris, cleaning and restoring the well site including the tank site and revegetation for each well in accordance with all Oklahoma Corporation Commission Rules inclusively.

That the following information pertains to the proposed well to be drilled and/or the existing well that is currently producing or being used for injection purposes:

WELL NAME and NUMBER:												API NUMBER:		
LEGAL LOCATION:		¼		¼		¼		¼	SEC:		TWP:		RGE:	
COUNTY:									TOTAL DEPTH OF WELL:					
TYPE OF WELL:	OIL:		GAS:			INJECTION:						DISPOSAL:		
CASING IN THIS WELL IS/WILL BE CEMENTED TO THE SURFACE: Y N (circle one)														

That in the event the above well is a proposed well to be drilled, this Affidavit must be accompanied by an OCC Form 1000, Intent -to-Drill, or;

That in the event the above well is an existing well that is being produced or an injection well, this Affidavit must be accompanied by an OCC Form 1002A, Completion Report.

That this Affidavit was executed this _____ day of _____, 20_____.
